

## COMMUNITY GROUP GUIDE

### John 4:27-38 | The Role of Generosity

#### SOMETHING TO THINK ABOUT

---

There are over a million people in the Triad; we want expand our capacity to take the gospel all over the Triad. How have you seen Mercy Hill's campus strategy impact our communities for Christ?

#### DISCUSSION QUESTIONS

---

1. When our culture thinks about giving to things like church or charity, what are some of their suspicions? What are some of their good thoughts about it?
2. How does your giving "fuel the mission" at Mercy Hill?
3. What are some other ways, besides giving monetarily, that you can be involved in the mission?
4. How is Jesus' life, death, and resurrection the reason that we can reap spiritual fruit?
5. Jesus said the fields are white with harvest. How are you going to labor in the fields of the world this week by bringing the gospel to the people?

#### CLOSING QUESTION

---

Now that you've had more time to think about the Generosity Ladder (you can find the generosity ladder on page 20), how are you specifically engaging with it? To what level is God calling you to increase your generosity?

#### PRAYER POINTS

---

1. Pray that God would give to you a sense of your place in his mission and the honor of that position.
2. Pray that as a church, no matter where each person is on the generosity ladder, we would all be willing to increase our generosity for the sake of the mission.
